

## UNION LAKE SAILING AND TENNIS CLUB

### Spring Newsletter, 2021

#### Commodore's Corner

I hope all of all club members are safe and well as we journey through the second year of this pandemic. The club for the first part of the year will be much the same as 2020. I am optimistic that with the rollout of the vaccine and warmer weather the second half of the year things will get back to normal. Later in this newsletter Patty and Liana will talk about the social distancing events planned for the Spring and other group events planned for the later part of the year.

The pandemic has impacted the board's ability to recruit new members. We need all club members help in recruiting new members for 2021. **Please spread the word on what the club has to offer to friends, co-workers, and extended family members.** The membership information on the website is all up to date. The board's goal this year is to sign up 20 new members. Please send any questions you may have in regard to membership to [ULSTC2015@gmail.com](mailto:ULSTC2015@gmail.com)

The Spring club cleanup days are scheduled for **Saturday March 27<sup>th</sup> and Saturday, April 10<sup>th</sup>**. The start time will be 8:30 AM and we will conclude by 12:30 PM. More details on the event will be forth coming.

As mentioned in my prior column, the club really relies on volunteerism in order to stay afloat and we are asking that all members to volunteer for at least one event per year. If everyone signs up for one event, we will have more than enough help to accomplish the tasks at hand.

I want to close by thanking all members of the club for your commitment to supporting the club over the past year.

**Rob Moore**

#### Financial Update

As of February 22, 2021, I am pleased to say that we currently have \$25,022.91 in our checking account and \$10,846.89 in our savings.

Monthly bills have been paid and all taxes are paid up to date. Our next big expense will be our insurance, with our renewal date being in May. I encourage everyone to please pay their memberships and if you are not renewing please let us know. We are all looking forward to a great year at the Club, of course continuing to maintain all COVID precautions.

Can't wait to see you all at the club!

**Debbie Malone**

## Coronavirus Spring Update

Based upon the latest  
information the club has  
updated the club's **Coronavirus  
polices** to the Following:

1.Face Mask are required inside  
the clubhouse (including the  
restrooms) and whenever you  
are less than 6 feet from people  
not in your party.

2. Clubhouse is limited to 25  
people. One front sliding door  
and the rear sliding door must  
be open while building is  
occupied. It is okay to run the  
heater with the doors open.  
Mask are still required when  
you are unable to social  
distance from people not in  
your party.

3. No organized or pop-up  
events until things change.

The Board cannot stress enough  
that it is **everyone's**  
**responsibility** to keep one

another safe and be respectful of  
one another's space.

## Friendly Reminders

The boatyard is looking good!  
We increased kayak racks this  
past season, and now with new  
members joining, we will add  
more. There are some kayaks  
that are blowing off their slot on  
the rack. Please secure them  
more properly. This year we are  
going to reinforce our boat yard  
policy that boats need to be in  
sailable\ useable condition to  
remain in the boat yard. Please  
let Jill Higgins know if you plan  
on moving your boat out of the  
yard so we can accommodate  
other members.

And one last reminder: Please  
do not park in the circle. Drop  
offs and unloading is  
acceptable. It's important to  
keep that area clear.

Thank you!

## Board Meetings:

The board meets the second  
Thursday of every month at  
6PM. Please feel free to  
attend, or reach out with  
your questions and concerns.
